Lice Alert Notice

Important Information for Parents

Dear Parents and Guardians,

We want to inform you that several cases of head lice have been identified at Red Rock Day School. While this is a common occurrence in schools, we are taking all necessary precautions to ensure the health and safety of our students.

When a school experiences several cases or “cluster” of head lice in a single classroom, we will move to sanitized and cleaned the classroom. We have also sanitized and cleaned the school bus.

We kindly ask that you check your child’s hair for signs of lice or nits and take appropriate action if needed. If you have any questions or need guidance on treatment, please contact the school.

Remind your children not to share coats, hats, hair ties, etc. with their classmates or peers.

Your cooperation helps us maintain a healthy environment for everyone.

Thank you for your attention and support.

Sincerely,

Dr. Jeannie Kee-Parsons, Principal

School Administration
